

PRESSURE CHART RECORDER

Part No : PROPCRSSCASE-463x335

- Case Dimension: 463x335mm

Pressure Range	Order No
10,000 PSI	PROPCR/MODULAR-10,000PSI
5,000 PSI	PROPCR/MODULAR-5,000PSI
3,000 PSI	PROPCR/MODULAR-3,000PSI
1,500 PSI	PROPCR/MODULAR-1,500PSI
1,000 PSI	PROPCR/MODULAR-1,000PSI
600 PSI	PROPCR/MODULAR-600PSI
300 PSI	PROPCR/MODULAR-300PSI

SPECIFICATION

Case

High quality heavy duty stainless steel AISI-316L; IP-65
Very suitable for offshore applications and industrial fumes and for usage in the tropics
Absolutely watertight and dustproof
The case has a lockable front-hinged door, rugged construction and designed to last

Chart Drive

Battery operated clock, multispeed
off-60 min-96 min-12hr-1d
Chart Size: 12"(300mm)

Socket

Screwed to case, stainless steel AISI-316L to NACE
9/16x18 UNF Female

Measuring Element

Bourdon tube, stainless steel AISI-316L to NACE
modular system

Mountings

Portable

Window

Instrument glass, makrolon

Accuracy

±1% full scale

Ambient Temperature

-20°C to +50°C

Charts

All units will be supplied with 100 chart paper of 12"(300mm)
Extra charts available at cost

Pens

Recording is done with disposable feltpen,
hassle free and easy to replace
Each recorder is supplied with a spare pen
